AFTER SCHOOL ACTIVITIES CLASS SCHEDULE

SPRING 2012

Classes will begin the week of March 19TH
(Exception Science Exploration starts week of April 2nd and runs 6 weeks)

MONDAYS

JEWELRY MAKING

INSTRUCTOR: LAURA HASKEW

GRADES: K-4

Make fun and sparkly projects!!!!

COST: \$60.00

8 WEEKS

MONDAYS

SPRINGING TO LIFE

INSTRUCTOR: EMILY WOLFE

GRADES: 2-5

Join Mass Audubon teacher-naturalist Emily Wolfe for a fun-filled exploration of the outdoors and interactive projects that focus on the spring season. Over the course of our eight-week session, we'll grow seeds in planters, dissect flowers, and make connections between plant life and animal life. Kids will enjoy games and crafts that highlight Cape Cod's unique wildlife.

COST: \$40.00

8 WEEKS

MONDAYS

SPECTACULAR SCIENCE EXPLORATION INSTRUCTOR: JESSE CERALDI

GRADES: K-3

Join us for a six week spectacular science exploration where we will make slippery oozy slime, discover the states of matter, heat up the sky with teabag rockets and tantalize our taste-buds with cotton candy, we will create static butterflies that flap their wings and celebrate spring by planting NASA issued basil seeds that have traveled to outer space on the space shuttle! These are only a few of the amazing activities we will enjoy together in Science Alliance.

*******THIS CLASS BEGINS THE WEEK OF APRIL 2ND*******

COST: \$40.00

6 WEEKS

MONDAYS

ORIGAMI CLASS

INSTRUCTOR: CAMMIE KEANE

GRADES: 5&6

Enjoy practicing the ancient art of paper folding. We will start with very simple pieces and progress to more complex ones. It requires patience, but is so much fun and you will end up with paper objects to use or display.

COST: \$40.00

8 WEEKS

TUESDAYS

STUFFED ANIMAL MAKING

INSTRUCTOR: NATHALIE FERRIER

GRADES: K-6

Design and sketch, cut in fabric and sew your own stuffed animals.

A parent volunteer is needed for this class, the volunteer's child will attend for free.

COST: \$40.00

8 WEEKS

TUESDAYS

GYM MANIA

INSTRUCTOR: STACEY KLIMKOSKY

GRADES: K-3

Let's play together after school! Each week, we will have fun moving and playing different games in the gym. We will take out some of our favorite equipment and have a blast! Balloon volleyball, scooter soccer, bowling, dancing, obstacle courses are just a few of the activities we can't wait to do! After we get started, suggestions will be encouraged. Wear sneakers and bring your smiles!

COST: \$40.00

8 WEEKS

WEDNESDAYS

ARTS AND CRAFTS

INSTRUCTOR: MOLLY DEPRES

GRADES: K-3

This session of Arts and Crafts will help us Welcome Spring after our very mild Winter!! Every week we will have a craft or art project with the theme of Spring that students can bring home. Join us for some creative hands on time after school!!

COST \$50.00

8 WEEKS

WEDNESDAYS

SPECTACULAR SCIENCE EXPLORATION INSTRUCTOR: JESSE CERALDI

GRADES: 4-6

Join us for a six week spectacular science exploration where we will make slippery oozy slime, discover the states of matter, heat up the sky with teabag rockets and tantalize our taste-buds with cotton candy, we will create static butterflies that flap their wings and celebrate spring by planting NASA issued basil seeds that have traveled to outer space on the space shuttle! These are only a few of the amazing activities we will enjoy together in Science Alliance.

*******THIS CLASS BEGINS THE WEEK OF APRIL 2ND*******

COST: \$40.00

6 WEEKS

THURSDAYS

ZUMBATONIC

INSTRUCTOR: JULIE RICH

GRADES K-6

Zumbatomic will combine all the dances found in Zumba, PLUS some experimenting with choreographing our own dances. Students will be encouraged to bring in music of their own and go about creating their own unique choreography, as well as learning the basic latin rhythms and dances found in Zumba.

COST: \$40.00

8 WEEKS

THURSDAYS

CLAY FOR KIDS

INSTRUCTOR: DAVID WRIGHT

GRADES: 1-6

Explore the fine art of creating beautiful art pieces in clay. A parent volunteer is needed for this class.

A parent volunteer is needed for this class, the volunteer's child will attend for free. The volunteer's child will need only to pay for materials to attend the class.

COST: \$60.00

8 WEEKS

THURSDAYS

TRURO CENTRAL SCHOOL NEWS

INSTRUCTOR: STACEY KLIMKOSKY

GRADES: 2-6

Do you like to write? Take photographs? Draw? Investigate? If so, this afterschool activity is for you. In 8 weeks, we will create and publish at least one T.C.S. newspaper. Students will be responsible for naming the paper; deciding on the articles to be researched and written; photography; artwork and more! No experience is necessary, just a willingness to learn about the parts of a newspaper, do your best and work together on a team. Hope to see you!

COST: \$40.00

8 WEEKS

THURSDAYS

“DUCK TAPE CREATIONS”

INSTRUCTOR: REBECCA TOWNSEND

GRADES: 2-6

The newest craze sweeping the nation ... duck tape creations!!!! Learn basic techniques for creating wallets, purses, jewelry, belts, hair accessories, flowers and more...all made out of duck tape!! Not only will students be able to make and take home many great creations, they will also receive handouts every week with step by step directions so they can continue to make duck tape creations at home with parents, siblings and friends!!!

COST: \$50.00

8 WEEKS
