

Experience 6th Grade

at Truro Central School

When you are a 6th grader
at T.C.S. you will...

- learn with a team of teachers you know and who know you
- explore a robust, standards-based academic curriculum
- develop a community of learners
- use your creativity
- be musical
- acquire a second language
- make cultural connections
- collaborate with others
- learn leadership skills
- gain a global perspective
- think critically
- be independent
- celebrate differences
- learn about learning
- be active
- have fun
- help others
