June, 2018

Dear Parents,

I am pleased to tell you the School Committee has voted to waive fees for our Preschool program, effective in September. Children already enrolled will be able to spend as much time as has already been scheduled, without tuition fees. Registration checks already submitted will be returned.

We look forward to getting your children off to the best start possible at Truro Central, and are delighted we can offer this program at no cost to your family. We know that a good preschool experience makes a significant difference in a child's success, at school and beyond.

As always, if you have any questions, feel free to call me or Lynne Ready. We're already excited for the start of the next school year!

Sincerely,

Robert Beaudet  
Principal
