August 26, 2019

Dear Parents and Guardians:

New this school year, the Truro Central School will be offering daily afterschool childcare for students in Kindergarten through grade 6. The program will run from dismissal until 5:30 p.m. every day school is in session and will be located in the lower level of TCS. A variety of physical, creative, and academic activities will be offered daily, including time to complete homework, have a snack, and socialize with peers, to those students whose parents wish them to participate.

If you are interested in enrolling your child in the Truro Afterschool Program for Students (TAPS), please click the link for our handbook and registration forms. These forms must be completed in full prior to attending the program. Thanks to the generous support of the Truro School Committee and the Town of Truro, this program is offered for **FREE** to any TCS student in Kindergarten through Grade 6.

If you have any questions about this exciting new program, please contact the school or email me directly at costigans@truromass.org. We are looking forward to a great (after) school year!

Sincerely,

Stephanie Costigan
Director of Student Services
